

STORY-TIME

Babies, Music, and Movement

This story-time is for children 12 mo and under. Be prepared to sit with your child and participate as we learn songs, finger plays, movements, and rhymes. Follow along as we share a simple book. Space on the floor will be marked for you and your little one(s).

Toddler Time

This story-time is for children 13 mo - 2 years old. This is a great story-time for our active toddlers with lots of music and interactive stories. Be prepared to learn songs and movements as we build the foundation of early literacy. This story-time is best for families with mixed ages.

Pre-K Story-time

This story-time is for children 3 years old and up. We start with a song to shake out all our wiggles and settle in for stories, rhymes, and felt board activities. After story-time there will be a craft or activity.
