Massena Public Library

Attraction Pass Policy

Purpose

The Attraction Pass Policy lays out guidelines for the Massena Public Library to provide patrons access to a variety of local attractions, to encourage learning and promote cultural, educational and entertainment activities at reduced or no cost.

Requirements

To check out an attraction pass, a person must

- Be at least 18 years old
- Hold an unexpired North Country Library System card
- Not have any outstanding library charges
- Come to the Library to check out the pass in person
- Agree to borrowing guidelines and payment for a lost or damaged pass that is unusable

Passes are

- Limited to one per card holder at a time
- On a first-come, first served basis
- Able to be placed on hold up to one month in advance by phone or in-person for specific dates
- Checked out for three days and are not renewable
- To be returned to the Circulation Desk only and not placed in the book drop
- Variable in terms of associated discount

Procedure

Each attraction may have policies and details specific to the use of their attraction pass and are subject to change. Patrons should check each for details, possible charges, applicable ages, and number of persons admitted. Patrons must present the pass to the attraction with any required fees to receive the discount. The Library assumes no responsibility of any kind arising out of the reservation or use of passes.

The Library does not charge to check out passes, but patrons are responsible for their safe and on-time return. This is to safeguard the Library's purchase cost and to ensure availability for other patrons wishing to check the pass out. If a pass is not returned within seven days of the due date or returned in an unusable condition, patrons will be charged the full replacement cost of the pass. If the pass is then returned, the charge will be waived. Patrons with charges above the limit stated in the Circulation Policy will have their Library borrowing privileges suspended until charges have been paid.

This policy was adopted by the Massena Public Library Board of Trustees on September 9, 2025.
